

Meritage Brand Highlights

Meritage

Ideal for high end “custom” retail concepts for all segments of foodservice; maximizes the retail experience and stimulates sales.

- Timeless Design, constructed entirely of welded stainless steel square tubing for strength & durability.
- A better, high-quality *alternative* to traditional millwork construction.
- Extruded corner guard material prevents chipping, assuring long life and best appearance over time.
- ***Featured with Geometric laser cut s/s offset panel***
- ***“Live” edge natural cantilevered wood plate shelf***
- ***Corian Quartz top with waterfall edge***
- Counters furnished preassembled; with solid surface counter tops, drop in equipment, food shields, and counter body finishes
- Counter is provided with pre wired electrical load center neatly and conveniently for easy access.
- Excellent fit and finish, quality manufacturing reduces “*punch lists*” and *call backs after installation*.
